In accordance with the terms and conditions validated at the time of your purchase

Right of withdrawal.

Individual customers: You have 30 days to withdraw from any purchase made on our website gecko-steamer.co.uk

This period begins on the date of delivery of your package. This right of withdrawal is exercised without a contractual penalty.

This right of return can only be accepted for products intended for domestic use (see Article 3 Product Information), in their original condition (unused) and complete (packaging, accessories, instructions, etc.). Items that are incomplete, damaged or soiled by the customer will not be taken back.

Models that are intended for professional use (GK20A, GK20B, G700) and were purchased by a private customer are therefore excluded from this right of withdrawal.

Returns received without following these rules will not be refunded without special notification.

In the event of a refund, Salamandres will refund the credit to the bank card, bank account or PayPal used for the transaction within 14 days of the date on which you exercised your right of withdrawal.

This under the express condition that we have received your return (package delivered against signature). Additional shipping costs paid at the time of the order will not be refunded.
